Commissioner for Patents

The reply filed on 8/7/06 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s).  
See 37 CFR 1.111.

The previous Office action required a species election wherein the species was "a)The claimed method that *uses an affinity ligand which binds one of the B cell determinants recited in the claims* (CD20, etc)". Applicant elected antiCD19 antibody. However, applicant indicated that all of the claims read on the elected species. However, claims 19/29/35/40 read on use of antiCD20 antibody and therefore clearly do not read on the elected species. Applicant needs to address this issue.

Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**
